Don't just take our word for it. Here's what our customers have to say...

Moffett Physical Therapy

"Each new patient receives a care package from Moffett Physical Therapy with their home exercise program and an imprinted t-shirt," states Cheryl Moffett. "People wear the t-shirt and others ask them about us.

The t-shirt becomes a talking testimonial for our business."

Marengo Auto Group

This laser-etched fleece blanket was part of an employee appreciation basket for **Marengo Auto Group**. "The employees enjoy using all the decorated items we pack in the basket, and it is good advertising for the business when they use the blanket at a football game," states Bryan Holst. "Our employees are the best, and we like to show them our appreciation!"

Lisa's Mobile Pet Grooming

Lisa Halwix ordered these dry erase boards to hand out at golf outings and a parade. "People really seem pleased to receive this gift from my business. **Lisa's Mobile Pet Grooming**. They mount it on their refrigerator, and it's a visual reminder of my business. It is great! Even Harley likes it."

AeroForze

AeroForze Heating & Cooling thanks new installation customers with a personalized package. HyperStitch includes an etched mug, pens, business card, and a hot chocolate, adds a hand-written note and mails it within a week of the completed work. Easy for Ron; great for his customers. "Business is based on strong relationships, and this helps build those ties," says Ron Magrini.

Hoffie Nursery, Inc.

"Our trade-show philosophy has always been to have fun. HyperStitch has always been able to provide us with the perfect attire for our various themes and shows. From hats to pens, t-shirts, sweaters, jackets and sweatshirts, we have worked with HyperStitch for years and always been pleased with their products."

Balanced Environments

Balanced Environments scheduled a garden bus tour for existing clients. "We wanted to hand them a care package for the day," remembers Gayle Kruckenberg. HyperStitch made a lunch tote with our logo on the front. Inside we packed a sandwich, bottles of water, a pen and our business card. When the people left the bus at the first stop we handed them an embroidered visor, both as a keepsake and for group identification. It worked out perfectly!"

The Fold

The Fold gives cloth totes imprinted by HyperStitch to any customer who buys enough yarn and supplies to fill it. "The purple tote really pops, and my customers are appreciative of color!" Toni Neal says. "This is great for customer relations – the funky sheep are beloved to my weavers. My customers use the totes; it's advertising for me and they are helping the earth!"

M.I.B. Entertainment

Chris Munnich & Bob Rysavy throw out their HyperStitch-supplied shirts to customers during their show. "They love to get them and wear them because our fans want to show their appreciation for what we do and to 'represent'".

NAPA Auto Parts

Dave Baker from **NAPA Auto Parts** in Hampshire has t-shirts and mousepads printed regularly. "The t-shirt is a powerful marketing tool," says Dave. "Once

I was driving in Huntley around dinner time and saw a bunch of guys standing around a hot rod. One of them was wearing my NAPA shirt. I didn't recognize the guy; I had never met him. Yet, he was advertising for me. You can't get better than that for advertising!"
